

HELPING HANDS MAKE FOR EASY WORK

At Wings on Words (WOW) we value the opportunity to work closely with parents. The best education a child can receive is when home and school communicate often, share goals and dreams, work together to maintain the optimum learning environment and demonstrate respect and support for one another.

Each family enrolled at WOW is asked to give back 12 hours during the school year. We know how busy you are so we try to make it easy and stress free.

Please mark from the list below the ways in which you or someone in your family can give back 12 hours during this year. Throughout the year we will also send you email to let you know when we need help with projects or activities at our school. Simply reply when you can do it and keep track of your time.

Thank you so much for you time and consideration!
